Subject: Honda launched a new CD80 Red Graphic

Bangladesh Honda Private Limited has started the dispatches for new CD80 Red graphic from 26th October 2016. Honda CD80 is the first choice in motorcycle and the New CD80 gives a perfect blend of Japanese technology along with charismatic design, in addition to its established superiority in terms of durability and fuel economy. The new eye-catching graphics, comfortable new seat design and aerodynamic shape have made Honda CD80 best choice and a perfect partner.

While maintaining the best quality, for example, the best fuel mileage demonstrate in 80cc class, Reinforced thick spokes and durable rear wheel, super comfortable seat with strong rear carrier CD80 is currently included with more premium Red looks with ensuring the best quality.

CD80 new graphics is now available across the country HEAD from October 26 2016, with its recommended price at BDT 99,900 (VAT included). With remarkable components, new looks, CD80 Red, offered with appealing warranty policy of "2 years or 20,000 km" for both frame and engine, with 4 times of free periodical maintenance, will continue fulfilling Bangladesh clients.

CD80- New Red Graphic

Faithfully yours,

Yuichiro Ishii
Managing Director and CEO
Bangladesh Honda Private Limited
